

Loretto Hospital

Loretto Hospital is a not-for-profit, community-based hospital located in Austin – the largest community in Chicago. Loretto is the only hospital in the community and is its largest non-government employer. The hospital has more than 600 staff, comprising 170 physicians and 300 nursing professionals. Although the largest percentage of the hospital's patients resides in Austin and Garfield Park, neighboring suburban communities also utilize Loretto as a healthcare resource.

Loretto Hospital Foundation

Formed in 2000, the Loretto Hospital Foundation (LHF) is a not-for-profit organization and is the primary fundraising entity for Loretto Hospital. The LHF's primary goal is to help promote Loretto's mission to provide quality patient-centered care, and to promote wellness and education. Since its inception, the LHF has purchased clinical equipment, transportation vehicles, and has supported various health programs and screenings in the Austin Community.
